Live Conversation

AI Coaching Session

Real-time conversation with corrections and encouragement.

⏱ **14:32** Elapsed

✏️ **3** Corrections

💼 **Interview** Topic

Let's practice "Job Interview Basics." I'll set the scene — respond naturally.

Yes, I am ready to practice for a software engineer interview.

Suggestion

Good sentence! One adjustment — "I have been working" sounds more natural than "I am working since."

I have been working as a developer for three years now.

Well structured answer. That clarity is exactly what interviewers look for.
